

Brightlingsea Harbour Foot Ferry & Boat Trips

Wivenhoe Lunch Cruise

Starting from Brightlingsea Harbour, the ferry journey along the picturesque River Colne to Wivenhoe is very rewarding, so sit back and enjoy the stunning panoramic scenery on your way to the quaint riverside village of Wivenhoe. With its narrow streets and quaint buildings, Wivenhoe makes a great day out. It has been home to many famous people over the years, including 'Miss Marple'!

Included in the price is the return boat trip and main meal at the 300yr old Black Buoy Inn, which is steeped in maritime history. Originally named the Black Boy (after Charles II, the 17th century king who sported black hair and a dark complexion), the pub dates from at least 1712. The Black Buoy became a meeting place for a range of maritime folk, from sea captains and shipbuilders to smugglers and customs men, perhaps even pirates!
