

Historic Land & Sea Tour

Brightlingsea Harbour X Brightlingsea Museum

Brightlingsea Harbour has partnered with Brightlingsea Museum offering you a unique and immersive way to explore the rich heritage of this charming coastal town.

The Historic Land & Sea Tour will be guided by one of Brightlingsea Museum's volunteers who have exceptional knowledge of the waterside and harbour. Taking you on a journey through both land and sea, revealing the fascinating history of Brightlingsea.

On land delve into Brightlingsea's Cinque Port connections, fascination local and wartime history, before taking the boat to explore the creek. Covering shipbuilding, yachting and associated endeavours. Some of our more "famous" vessels and notable visitors along with the more recent history of the miners' strike and Brightlingsea Against Live Exports, and much more.

This tour combines insightful commentary with stunning views, allowing you to discover landmarks and stories that have shaped the area. Whether by foot or aboard a scenic boat ride, the Historic Land and Sea Tour provides a captivating experience not only for history enthusiasts.

So not to miss any commentary headsets will be provided.
