

Notice to Mariners

Water Quality Sampling Activity by APEM Group

Introduction

Mariners are advised that APEM will be conducting water sampling activities over a 12-month period starting in October 2025 in The Blackwater Outer, Crouch and Colne. These operations will support environmental monitoring and research efforts. Further details, including specific locations, timings, and safety guidance, are provided below.

Research schedule

Survey	No. of Sites	No. of Surveys	Replicates
